

TeamStortz Computer Services Service Rates

Diagnostic Fee: \$25.00

TeamStortz Computer Services will diagnose your computer problem, suggest a repair option, and give an estimated cost of service. If the customer decides to approve service, then \$15 of the diagnostic fee will be waived and further work will be charged at the applicable hourly rate.

Off-Site Service: \$45.00 per Hour

TeamStortz Computer Services offers very low rates when compared to many local competitors. The Off-Site rate applies to remote support and service work completed on TeamStortz Computer Services premises. Most services (including operating system installations) are charged at the regular hourly rate**, but some services may qualify for special pricing. Please contact TeamStortz Computer Services to inquire about any specific services required.

On-Site Service: \$10 Trip Charge + \$50 per Hour

On-Site service is offered in Mayville, Germantown, and many of the surrounding areas. For on-site services, the customer will be assessed a \$10 trip charge plus the on-site hourly rate. Please contact TeamStortz Computer Services to determine if I am able to offer the services you require at your location.

E-mail me at service@teamstortz.com with any questions, comments, or service requests.

Rates are subject to change without notice.

**Non-Full hours will be rounded up to next quarter-hour and charged at hourly rate.
