

TeamStortz Computer Services Service Rates

Diagnostic Fee: \$20.00

TeamStortz Computer Services will diagnose your computer problem, suggest a repair option, and give an estimated cost of service. If the customer decides to approve service, then \$15 of the diagnostic fee will be waived and further work will be charged at the hourly rate.

Hourly Service Rate: \$35.00 per Hour

TeamStortz Computer Services offers very low rates when compared to other local competitors. Most services (including operating system installations*) are charged at the regular hourly rate**, but some services may qualify for special pricing. Please contact TeamStortz Computer Services to inquire about any specific services required.

On-Site Service: \$10 Trip Charge + Hourly Rate

On-Site service is offered in Mayville and many of the surrounding areas. For on-site services, the customer will be assessed a \$10 trip charge plus the normal per-hour rate. Please contact TeamStortz Computer Services to determine if I am able to offer the services you require at your location.

E-Mail me at service@teamstortz.com with any questions, comments, or service requests.

Rates are subject to change without notice.

*TeamStortz Computer Services will always attempt to look for drivers not provided by the customer.

However, we cannot guarantee we will always be able to find the correct driver for your specific devices.

**Non-Full hours will be rounded up to next quarter-hour and charged at hourly rate. (\$8.75 for 1/4 hour)
